Superior Taste Award 2017 with Two Gold Stars - By ITQi

Dear Mr. Mehta & Team Aava,

Congratulations once again for being awarded the Superior Taste Award with 2 golden stars. Aava water can be proudly called an excellent water of world level.

This Report is a summary of the main comments and suggestions written by our jury of top European Chefs & Sommeliers on various criteria when your product was tested on a blind basis. The report will help you better understand the scores & results of the Sensory Evaluation results.

Comments made by the European jury members

First Impression	• Well balanced mineral water, clean and healthy, natural and pure. • Lovely water with a perfect amount of minerality showing character and finesse. • A mineral water with good cleansing properties and refreshing end.
Vision	• Clear and bright with a light silver sheen on the glass. Diamond clear, luminous and transparent. • Optically very attractive and inviting.
Olfaction	• Neutral nose with an imperceptible touch of minerality. • Clean aromas with no off-putting odour. • Elegant and stylish water.
Taste	• Medium bodied in structure, smooth attack while, the saltiness and minerality comes at the end in a balanced way. • Lovely cool fresh water, slight chalkiness on the mid-palate but not unpleasant. • A nice smooth mouthfeel with no bitterness. All elements are working well together in harmony with a little acidity.
Final Sensation	• A long pleasurable aftertaste. • Leaves the mouth clean and neat. • Harmonious finish that lingers well. Excellent thirst-quenching qualities. Congratulations!
